Thanks, Terry. FYI, we just got a meeting invite to something with OGC at 2:00.

We'll call you in a few minutes – John is on another call right now and will come as soon as can.

I truly do not know. I merely copied and pasted Brian's language from the draft FRN.

Subject: RE: Relevant Prior Rulemakings

Lucinda,

I think you meant the December 16, 2014 Proposed action for Texas and Oklahoma at 79 FR 74817, right?

Subject: RE: Relevant Prior Rulemakings

I think we need to add the 79 FR 74817, 74848 (January 13, 2015),

Subject: Relevant Prior Rulemakings

I'm sending these around for purposes of the 1:00. I ordered them consecutively:

1) HQs Final National Limited Disapproval and CSAPR > BART FIP:
<https://www.gpo.gov/fdsys/pkg/FR-2012-06-07/pdf/2012-13693.pdf>

2) R6 Final for the RP FIP: <https://www.gpo.gov/fdsys/pkg/FR-2016-01-05/pdf/2015-31904.pdf>

(I included this because it contains a concise discussion of how we originally proposed to address TX EGU BART and then why we didn't finalize it. That includes proposing a CSAPR > BART FIP for SO₂ and NO_x BART, and proposing approval of the 2009 TX RH SIP for PM BART. It starts on page 301)

3) HQs Proposal to withdraw Texas from the CSAPR FIP for annual SO₂ and annual NO_x:
<https://www.gpo.gov/fdsys/pkg/FR-2016-11-10/pdf/2016-27197.pdf>

4) R6 Proposed FIP for Texas EGU BART and Interstate visibility transport:
<https://www.gpo.gov/fdsys/pkg/FR-2017-01-04/pdf/2016-30713.pdf>

Did I leave anything out?
